

My Child and their needs are supported in School

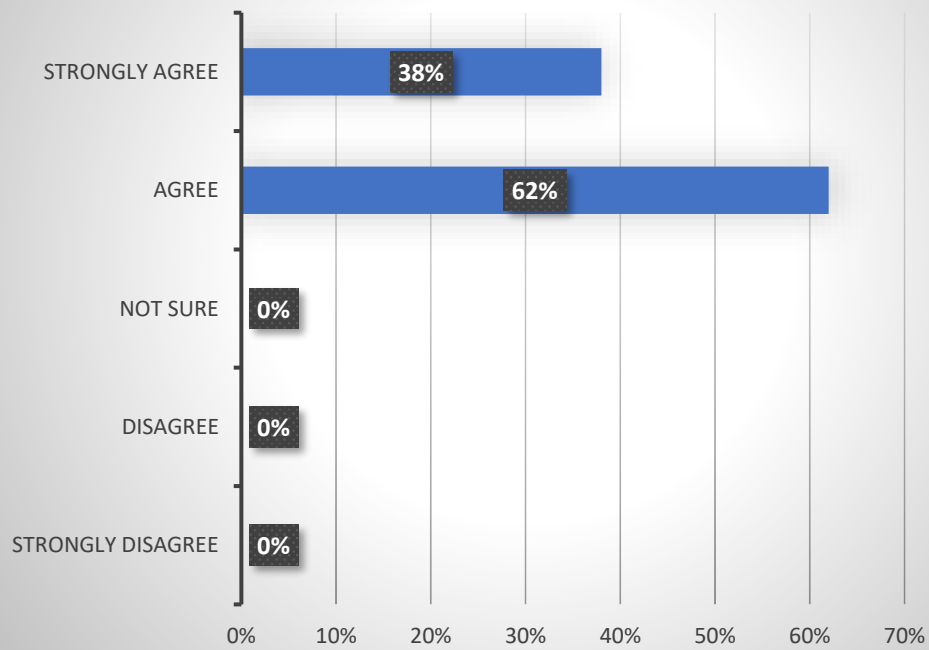

I understand how well my child is progressing

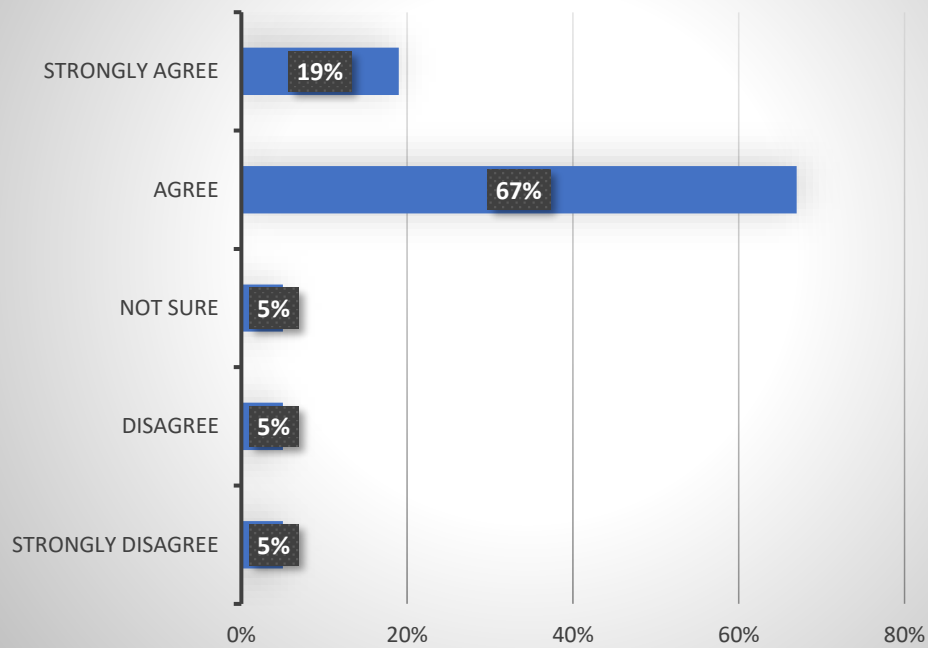

My child is happy in school

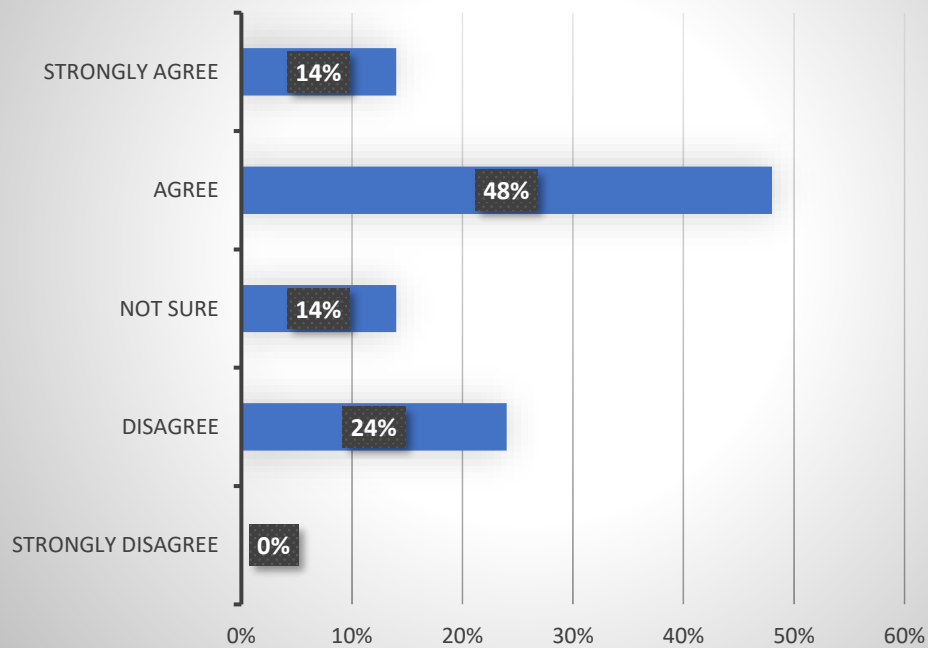

My child feels safe at school

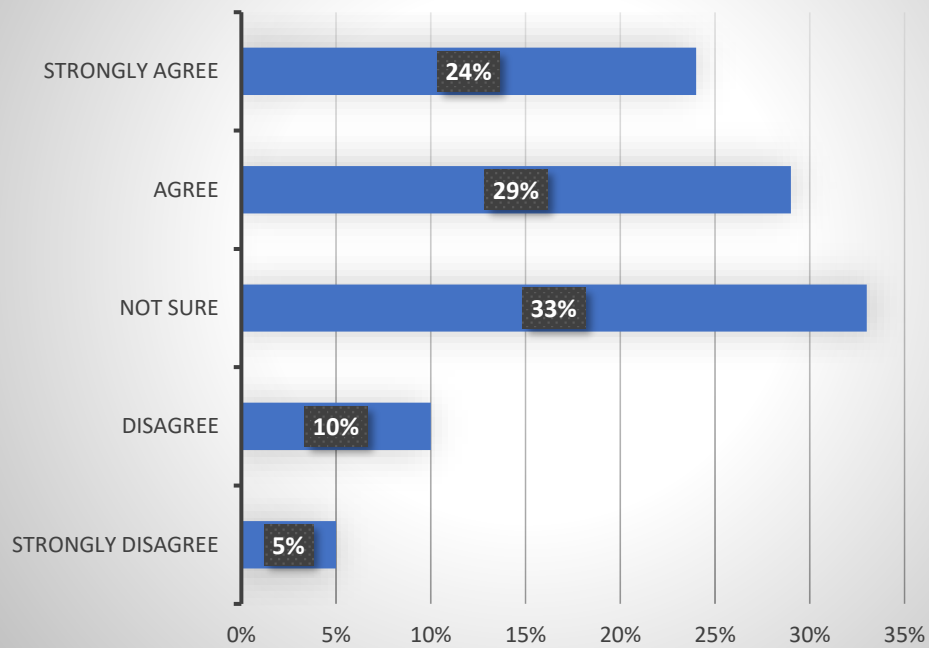

I know who to come to in school for advice about my child's needs

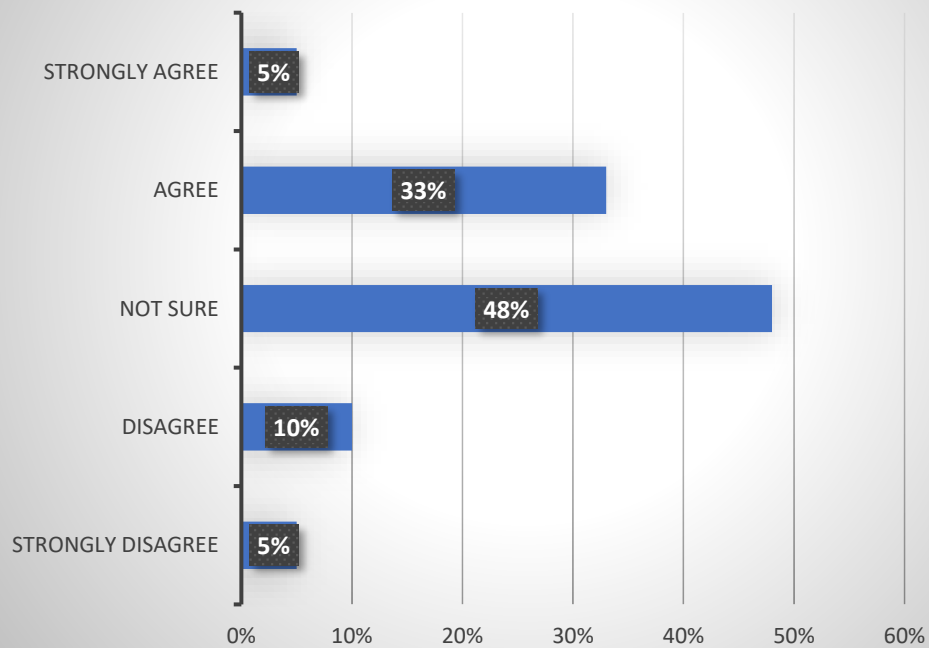

I have received copies of my child's IPM (Individual Provision Map)

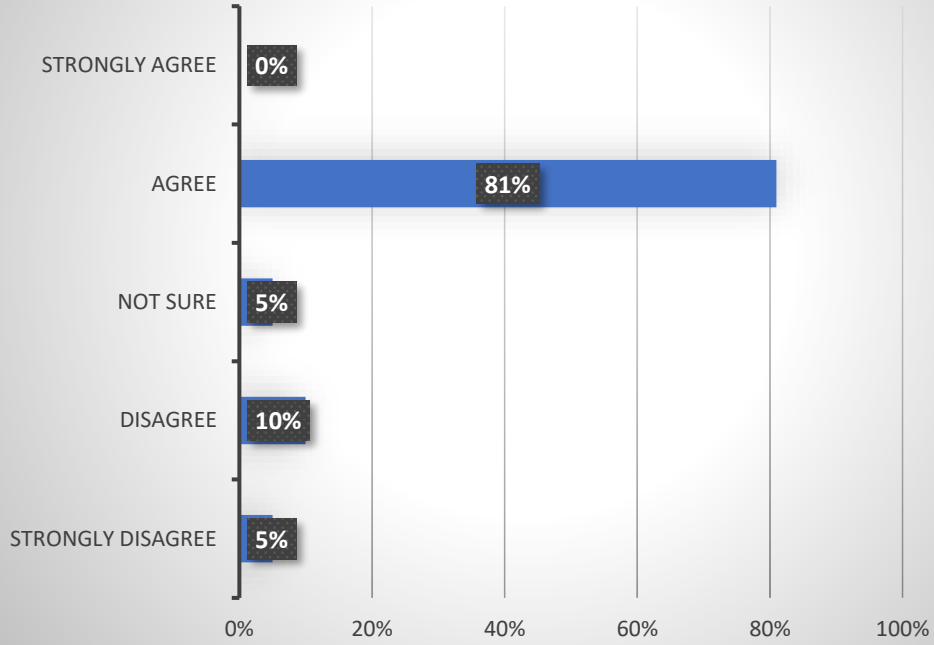

I know where to find the school's SEND Policy and Information report

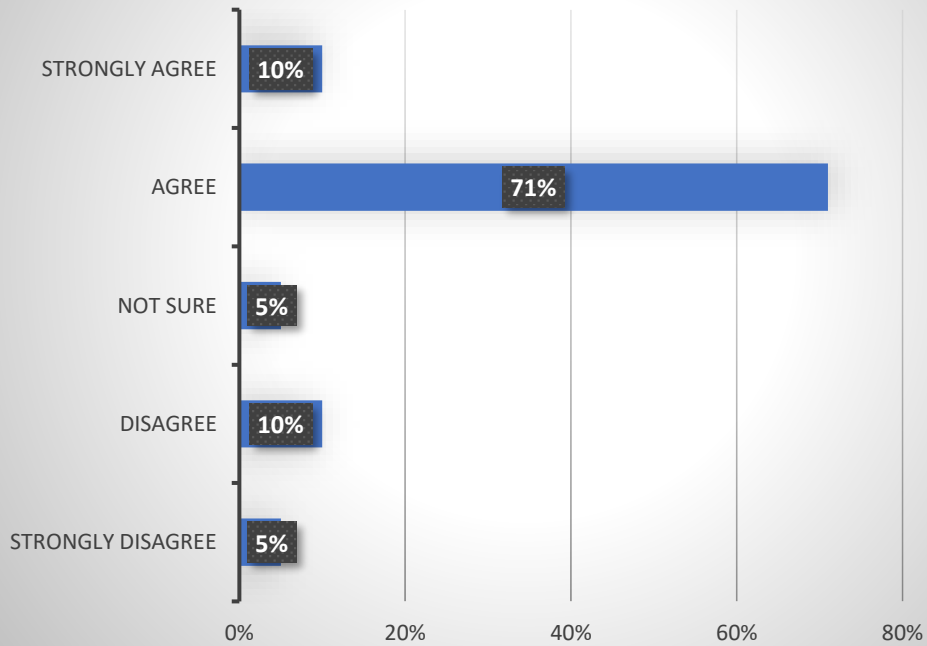

I feel the Local Authority has provided support to meet my child's needs

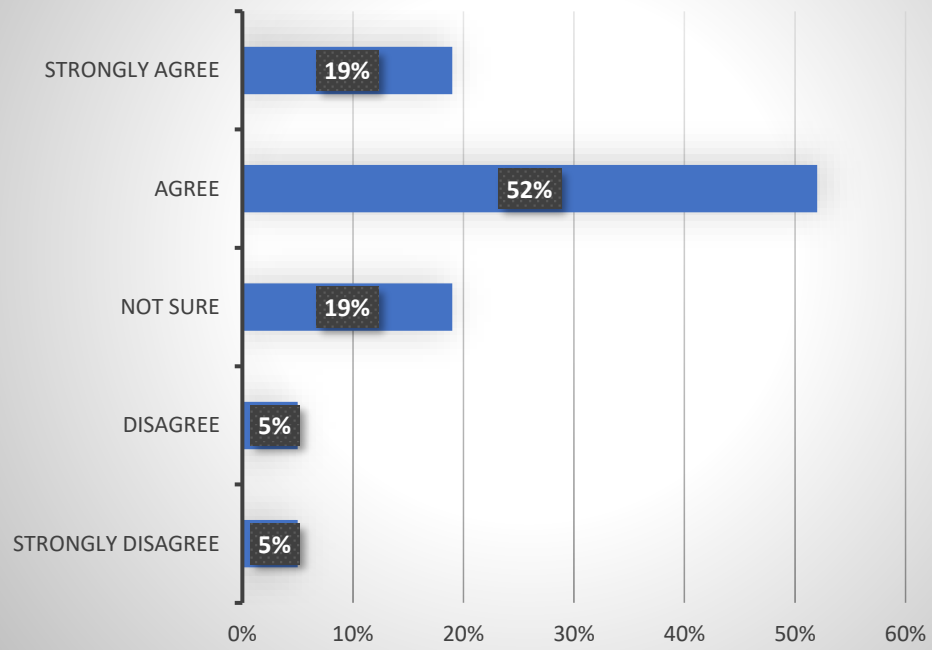

My views, as a parent are listened to

My views or concerns have been dealt with in a timely manner

I'm included in reviewing my child's progress alongside their teacher

December 2020

Parents Questionnaire Results

Thank you to all parents who replied to the questionnaire. The Questionnaire was sent out to 30 parents whose children are on the school SEN register, 21 replied and 9 did not respond.

As a SENDCO team we are always looking at ways we can improve the service we provide both to parents and children. These results will be shared with all teaching and support staff to hopefully improve communication with teachers and parents.

If parents or carers have any concerns regarding their child's progress please speak in the first instance your child's class teacher or alternatively contact Mrs Woodward, SENDCo either via email:- Senco@webheath.worcs.sch.uk or by contacting the school on :- 01527 544820.
